

ST. VINCENT ELECTRICITY SERVICES LIMITED VACANCY – LABOURER

St. Vincent Electricity Service Limited (VINLEC) is seeking to recruit a hardworking and dependable individual for the job of **Labourer** at the Lowmans Bay Power Station. The successful candidate will be responsible for carrying out general duties (mainly of a manual nature) as required at the assigned power station or site.

PRINCIPAL RESPONSIBILITIES

The successful candidate will be tasked with several duties which include:

- Keeping the grounds in and around the plant clean and tidy by performing all the usual types of duties of outdoor housekeeping chores
- Carrying out all types of labour chores which may be involved in general repairs to equipment, plant buildings etc., both indoor and outdoor
- Operating manually-operated overhead cranes and hoists
- Functioning as a cleaner inside the main plant and offices as required
- Keeping the generating units and auxiliary equipment clean
- Pumping out waste from fuel/oil trap into drums.

The employee will also be expected to comply with all relevant safety regulations and guidelines applicable to the power plant operation.

QUALIFICATIONS AND EXPERIENCE

- Completion of at least two (2) years secondary school education OR primary school leaving certificate
- A minimum of two years' work-related experience

Interested applicants should submit applications, including resume and contact information for two referees, no later than **Friday, 7th August 2026** addressed to:
